THE CRYSTAL OIL LAMP, For Burning the Crystal Oil, Combining Economy and Safety. Patent Rights for States and Counties for Sale.

THIS important invention for producing the cheaper

I light in the world is now perfected and offered to the public. Numberless other attempts have been made to produce a champlight, but were attended with such inherent objections as to aestroy their utility a adoption. But the Crystal Oil Lam, , while it is the street, next door to the Up and Up Livery Stable, be | cheapest, is both safe and agreeable in every position making a clear, white and brilliant il one-entirely fr from smake or odor. There is no danger from explision, but is perfectly aufe under all carconnstances. oil can be used in any place without fear of soiling to nicest garments. The lamps are simply arranged in perfectly controlable by the children and domestics, and so constructed that the light can be varied in a moment from that of one to eignteen or twenty ord mary lamps. While it is free from the disagreeable

smell arong from the Keresone and the danger a ten ing the use of the burning find, it is found upor scientific comparison to produce As much Light for ONE C NT as Kerosene will for TAREE CENTS, or Burning Fluid will for SIX CENTS. thus saving aversixths of the entire amount now ex to price of the lamp in about a moute they are adapted to all situations, in using the cheapes and most desirable light for every place—the larges

halls or churches as well as private dweilings. The patent on this imp for the different States and countes throughout the Union, with the exclusive sale of the Crystal Oil, is now ofered to the public, presenting a rare opportunity for merchants to secure for them. selves the monopoly of a tradecentrely free from opposition. Facinties are completed for the manufacture of the image in such quantities that they will be furnished to the porchasers of rights in any style, at such a cost as will yield an almost increditious profit. These rights will be closed off immodiately, and the lamps and oil delivered as soon as desired. As no lamps of will be sold to any but purchasers of rights, an let

Roca's Remedy for Pulmonary and Tubercular Consumption H AVING been appointed sole Agent for the sale of Don Genonimo Roca's celebrated Cure for Con-SUMPHON, the public will now be put in possession of one of the most extraordinary remedies extant for what has heretofore been considered an incurable I have the more readily undertaken the agency, from the fact of its extreme simplicity—being an out-eard application, the action of which is seemingly mi-actious, and its having none of those attributes which make up the numerous compounds now in general With the utmost confidence in the success of this remedy, which has heretofore been used in private ractice with great success, as is shown by numerous etters and certificates, is now offered to the public. A pamphlet, containing directions, letters from dis A pamphiet, containing directions, letters from distinguished individuals, and documentary evidences from the physicians of the hospital of Havana, Island of Cuba, &c., will accompany the remedy.

These speak volumes in its praise, and publicity is only required to render it as popular as it is benefical. Address,
